

## LIMITED USE GOLDEN BEAR PASS PROGRAM

### 2008 Calendar Year

Persons 62 years of age or older are eligible to receive the Limited Use Golden Bear Pass for a yearly fee of \$10.00. The pass entitles the holder and spouse or registered domestic partner to the use of parking facilities at all State operated units of the California State Park System during non-peak season wherever parking fees are collected, except Candlestick Point State Recreation Area, at no further charge.

Upon receipt of the Limited Use Golden Bear Pass, pass holders are advised that the following rules and restrictions apply:

- The pass must be renewed each calendar year.
- The pass is not valid for use during the peak season from the Friday before Memorial Day through Labor Day at most state parks, and the Friday before Labor Day through Memorial Day at Anza-Borrego Desert State Park, Picacho State Recreation Area and Salton Sea State Recreation Area.
- The pass is valid unless revoked, at any unit of the California State Park System operated by the California Department of Parks and Recreation where parking fees are collected, except Candlestick Point State Recreation Area. It is not valid at units operated by local government, private agencies or concessionaires.
- The pass may be used any day of the week, excluding peak season, if space is available. Space is not assured - use of facilities is on a "first-come, first-served" basis when space is available.
- The pass is not valid for boat use, overnight camping, or trailer/camper facilities. It is not valid for commercial use or for supplemental fees, such as additional motor vehicles, sanitation disposal use, etc.
- The pass is non-transferable and non-refundable, and cannot be used in conjunction with any other pass and/or discount. Upon suitable proof, a lost or damaged pass may be replaced through reapplication and payment of the \$10.00 fee.
- The pass holder is required to present the Limited Use Golden Bear Pass and a valid state-issued driver license (or other suitable photo identification showing proof of age) and to pay any supplemental fees at the park.
- The pass may be used for parking one passenger vehicle with a capacity of nine persons or less where a parking fee is collected. To receive pass benefits at self pay locations, place the pass on the vehicle dashboard where it is visible through the windshield.

Applicants must complete the application below, and present the application, a valid state-issued driver license or other suitable photo ID showing proof of age and \$10.00 payment in person at most units of the California State Park System (contact parks in advance to ensure availability), or at the Park Pass Sales Office located at 3930 Seaport Blvd, West Sacramento, California.
